

eDiscovery & Managed Services

INNOVATIVE EDISCOVERY SOLUTIONS

Our commitment to revolutionizing eDiscovery is embodied in our Amplify suite – an array of award-winning discovery tools that seamlessly integrate into your current workflow. Our team, comprised of industry veterans and subject matter experts, employs these innovative tools to craft bespoke solutions. These solutions are designed to yield powerful results, aligning precisely with our clients' unique requirements and enhancing their legal outcomes without disrupting established procedures.

COMPREHENSIVE EDISCOVERY SERVICES

Lineal's eDiscovery services are crafted to provide comprehensive support throughout the discovery process:

FULL-SCALE DATA PROCESSING AND HOSTING

Utilizing industry-leading platforms such as Nuix, RelativityOne, Server, and Reveal, our services are designed to cater to diverse data processing needs.

MANAGED DOCUMENT REVIEW

We support remote and onsite review, powered by robust production and project management strategies, ensuring an effective review process.

FORENSIC DATA COLLECTIONS

We provide both onsite and remote data collection, ensuring thorough and secure data acquisition.

ADVANCED DATA ANALYTICS FOR ECA & CULLING

Before review, we apply sophisticated tools to extract critical insights, enhancing efficiency and precision.

MANAGED SERVICES: SCALABLE, ADVANCED, AND EXPERT-LED

Our managed services reflect the pinnacle of technological advancement in the legal industry. Lineal offers:

CUTTING-EDGE TECHNOLOGY

Clients have access to the latest tools in legal tech, ensuring they stay at the forefront of eDiscovery.

EXPERT TEAM ACCESS

Clients benefit from the extensive experience and knowledge of our Lineal team, comprised of seasoned industry professionals.

SCALABILITY TO MEET VARIED DEMANDS

Our services are designed to adapt and scale according to client-specific requirements, ensuring flexibility and responsiveness.

COMPREHENSIVE TRAINING AND SUPPORT

We provide thorough training and support, ensuring our clients can fully leverage our technology and expertise.

SOFTWARE OWNERSHIP OR LICENSING OPTIONS

Flexible software solutions tailored to meet the unique needs of our clientele.

UNPARALLELED EXPERTISE

We redefine eDiscovery by combining cutting-edge technology with unparalleled expertise. Our tailored approach ensures that each project is handled with meticulous care and precision, offering seamless integration with existing systems. Our clients benefit from our vast array of technological capabilities, comprehensive support, and the extensive knowledge of our industry experts. By partnering with Lineal, you acquire a strategic ally committed to enhancing your legal outcomes, optimizing workflows, and driving success in all your eDiscovery endeavors.
